

CCTV report

Each year, hundreds of thousands of international students come to study in China. In 2014 alone, the country received more than 370,000 international students from 203 countries and regions. Over the past decade, the number has continued to grow, making China the third largest recipient of foreign students. CCTV reporter Ai Yang visited China University of Political Science and Law, or CUPL, and found out what the buzz is all about.

Getting the China experience in the most authentic way. This is certainly something not to be missed if you travel across the globe to pursue higher education in the middle kingdom. Here in the classroom, exchange and postgraduate students from Europe are getting a taste of traditional Chinese culture. But, they're really here to study something much more modern - Chinese laws. For the majority in Europe, pursuing a degree in China is uncommon, but as more study programs and international courses become available, their attitude is gradually changing.

For advanced students, courses are offered in Chinese. Many postgraduate students are already well versed in their profession, and they find it a big plus to gain practical knowledge of Chinese society by studying its laws. "I work as a judge in Seoul. Most of my cases are concerning international marriages, and especially involving a Chinese partner. My country has sent me here to study Chinese law because it's very useful for my job. I think it's a helpful experience," said Kim Hyoungryul.

"Law studies are very important for me as China and Russia are becoming closer partners in trade. The Belt and Road Initiative means there will be more projects between the two countries on infrastructure building and mining. I think such work opportunities will be ripe in the next two to three years," said Ramus Aleksandr.

Last year witnessed a near 6 percent year-on-year increase in the number of international students pursuing advanced education in China. This represented an 8 percent share of the world's total international students.

“CUPL 正能量” 採訪小語種興趣班的小老師們

2015年4月10日下午，應法大“CUPL 正能量”欄目的邀約，國際教育學院昌平校區小語種興趣班的老師們接受了“CUPL 正能量”記者的採訪，講述了他們在小語種班的種種經歷和故事。參加採訪的有韓語班老師鄭在晁、金美來、俞喜朝，俄語班老師謝尼亞、艾丹、歐麗娜，蒙語班老師赫喜格、恩和金、朝露，以及泰語班老師王文珍。

小語種老師們首先介紹了自己來中國學習的原因，並義無反顧地選擇了北京，選擇了法大。他們之所以樂於擔任小語種授課老師，一方面是希望借小語種興趣班的平台推廣自己國家的語言和文化，另一方面是希望通過小語種興趣班結識更多的中國朋友，提高自己的漢語水平。

頭一次做老師的他們，向記者們講述了自己在教課中碰見各種困難，比如怎樣挑選合適的教材、如何設計有趣實用的教學內容、如何在課堂上和學生實現互動等等，當然也分享了许多在小語種班發生的趣事。泰語班老師王文珍和大家分享了自己和泰語班中國學生一起去浙江旅行的趣聞，韓語班老師鄭在晁開心地向大家介紹了自己的中國女朋友，表示希望畢業後還能留在中國發展。

最後記者們向既學習漢語這門外語又教授本國語言的小語種老師們諮詢了一些學習語言的技巧，他們提出了幾點建議：一是大聲地朗讀，不要怕錯；二是多聽多看原音的視頻資料；三是多結交本國的朋友，多交流溝通。
